

Relaxation Takes Center Stage

Private Marina

Members enjoy the use of our private 24-slip marina, fully-equipped with river boats, jet skis, kayaks, canoes and paddle boards for unlimited fun and exploration. Cruise the *Thousand Islands* wildlife preserve, take the kids on a fishing excursion or book a sunset cocktail cruise through The Resort Concierge. Water skiing, wind surfing, paddle boarding and more are at your beck and call.

Ocean Sands Club

Reserve a private beachside cabana or simply enjoy a day at the beach in a lounge chair under an umbrella – everything will be set up and waiting for you to arrive. The Resort Concierge can arrange a private surfing lesson or a stand-up paddleboard adventure – body boards and snorkeling gear are available at your request. If a bike ride is calling, beach cruisers are on-hand for your enjoyment (our sand is hard enough to bike-ride at the shoreline). Cabana-side cocktails, food and beverage services are all available through the resort.

Once the set of the Moon Shot Bar in the memorable TV series “I Dream of Jeannie”, the Cocoa Beach Bar & Grill is truly one-of-a-kind. The Grill is an ideal spot to savor a leisurely meal and a stunning sunset over the shimmering Banana River lagoon. Members enjoy priority reservations and signing privileges at Cocoa Beach Bar & Grill.

Prior to your arrival, a Reception Coordinator will contact you to offer assistance with any special requests, accommodations or services you may require.
